

WHEN **RISK** BECOMES  
**REALITY**™ ...

Paul Davis specializes in emergency and disaster response for commercial properties throughout North America. The Paul Davis network has over 300 locations, ensuring our team of professional mitigation experts provides expedited emergency response. From one-off losses to enormous catastrophes involving water, fire, or environmental concerns, Paul Davis is an insurance carrier-trusted source before, during, or following an event. For over 50 years, Paul Davis remains the insurance industry's restoration expert.

*Scalable to handle all size emergency services and full reconstruction projects cost effectively.*

RESTORATION  
SERVICES**

**PREPARED TO PULL TOGETHER**

We map out the process at the beginning of our relationship, leaving nothing to chance in the event that your property is damaged. Our emergency response line provides a live answer every time. Action is swift and communication is clear and comprehensive. We're organized and ready to go upon your authorization. Paul Davis offers centrally led, locally delivered commercial programs. Our committed partnership comes through in quality, project documentation, and communication.

Unsure if we can provide the services you need? It costs nothing to talk.

Call us any time. Call Paul!
